# Some of our Clients

# ...and what they say

## Woolworths

“Streetfighter Media have experience connecting with **local communities across different cities** and councils across Australia. They were able to provide useful suggestions to establish a local and loyal customer base, that has helped our service to grow.”

## Speedo

“Streetfighter Media were able to roll out a **beachside campaign across Australia**, requiring multiple teams in market at once, with ease. My colleagues and I enjoyed the transparent feedback reporting which contained images of the team in action.”

## Hepatitis NSW

“The visibility of the Mobile Mural provided an opportunity to **expand the campaign reach** beyond the original priority population group.”
